 Hilliard Rd
 Dispositions: COPY/FORM ONE By: *NONE

Narrative: male would like sa for the listed vehicle. the male owner works at italian creations and usually parks it between 1030-1100hrs. comp worked at a repair shop at hilliard/madison and states the vehicle is beyond repair and should not be on the road. he refused to repair the immediate problem due to this, but another employee did. comp quit today after 20yrs of employment because he feels strongly that this vehicle is dangerous to other vehicles and pedestrians on the road. a few of the major issues he mentioned were tires that are completely bald, the brakes leaking onto the rims, the front end way out of alignment. he beleives officers will be able to tell that it is unsafe once they stop it. he is especially concerned since the male drives in the area of the school and children are always out walking.
