Employee advised that she could not say exactly what was taken. Further advised that CVS upper management does not desire LPD criminal reports or police involvement for minor thefts/possible thefts. Employees advised to save video in case items stolen could be identified, and in case management advises that prosecution will be desired. Despite managements advisement, I told present employees to continue to notify LPD of any theft incidents so we can at least try to identify subjects and give trespass warnings in an attempt to prevent repeat offenders.
