Narrative: COMP Wanted us to check on his children, Peyton and Mya who live with his mother, Diana, who has full custody of the children. Comp said he was supposed to help move Diana and the children from the 13890 Clifton address this weekend but each time he went to the residence, they were not there. I called and spoke with Diana who said she and both children are fine. Diana said the children's therapist recommended they stay away from Joshua for a while because he has been abusive toward the children. Diana advised the children are healthy and have been to the pediatrician recently. Diana advised she will contact Joshua when she was ready to speak with him.
