Narrative: comp received a bill today from direct tv and she has
never used the company
comp was leaving, she will call when she returns home to
speak with an officer

COM has received mail addressed for Patricia Nally. COM
advised that she thinks that Nally may be trying to use
her personal information to steal her identity. Nally's
personal information is very close to COM's info. Same
DOB & only 1 number difference in SSN. COM advised that
she monitors her credit closely & no one has tried open
any accts in her name. I advised that I would document
the occurrence, but it may be a coincidence since their
info is so close together.
