about going with him
wm left on foot - possibly sb or over to bunts
incident happened 5-10mins ago
utl on male

Spoke with the father, Alex ENNES, Caleb,6, and his
brother

6yor old was with his 9yr old brother - brother rode off to
friend's house about five homes north of theirs. I spoke
with the older brother that said he did not pass anyone on
the sidewalk. The older brother said he only left his
younger brother for a few minutes. The father is uncertain
if this happened. I advised him that I would document this
in CAD. It should be noted that the 6yr old looks very
young.
