Narrative: On 08/06/2018, at 1115 Hrs, COM came to the LPD front counter to report that SUS "Voted on a poll she posted on her Instagram account." COM advised that there were no other messages sent but that SUS was specifically told by Kent State PD not to have any further contact with her. COM does not have any contact info for SUS, but I was able to locate the SUS based off of Instagram ID. I left VM for Kent State PD to get more information. COM was also here on 08/02/2018 and reported similar information on CAD # 182140126. COM was advised to consider modifying account security settings to limit who has access, but COM stated that she does not want to do that at this time.
