

FOR THE KIDS CAMPAIGN

Once, each year, we ask the community to help support H2O programs. Your generous gift will benefit more than 500 youth who are anxious to help others. Keep H2O Summer Service Camp and year-round H2O programs for middle and high school students going strong... **FOR THE KIDS!**
Thank you for your support!

“Donating to H2O helps children see what great things they are capable of doing.”

Jenny Young, H2O Alumni
