City of Lakewood Summer Sprinkling Program

The City of Lakewood Division of Water has adopted a Summer Residential Sprinkling Program for homeowners. This program is available for owner-occupied homes of one, two, three, and four-family residential accounts in good standing.

Upon the customer's request via written application, summer sewer bills (encompassing the billing period of July to September) of each year will be based on an average sewer bill amount for the previous four months (encompassing the billing period of January to April). The Division of Water will calculate the bill adjustment for the summer sprinkling program once the application is received. The program will not affect or replace the City's current sewer-exempt or sprinkler meters programs.

To qualify for this program, a Lakewood homeowner must have lived in the residence for the previous four months (January to April) and must request and submit an application before April 30th. ***If you have been on the program in previous years and have not moved within the past year, there is no need to reapply.*** Applications received after the deadline will not be processed. Please fill out the application form below and mail to—or drop off at—the Lakewood Division of Water, located at 12805 Detroit Ave., Lakewood, Ohio 44107. If you have any questions or concerns, please call the office at 529-6820.

Please return entire completed form to Lakewood Division of Water

Name of Homeowner: _____.
