COMING SOON --- the Lakewood Park Summer Movie and Band Schedule

Tis the Season....Severe Weather Preparation

"The Lakewood Fire Department recognized Ohio Severe Weather Week last week - March 18th-24th. As such, the Lakewood Fire Department used this week as an opportunity to focus on emergency

preparedness and awareness of resources. With the Spring season upon us, tornado preparedness must begin again. Tornadoes can occur at any time, but late Spring and Summer are the prime seasons for tornado activity within the State of Ohio. To remind and prepare residents for the danger of tornadoes, the Lakewood Fire Department participated in the Statewide Tornado Drill on Wednesday, March 21, 2018.
