I. FY19 Funding Applicant Presentation Session #2

Lakewood Department of Human Services, Division of Youth

Jessica Parker, Programs Manager in Lakewood's Department of Human Services, described and answered questions regarding the Division of Early Childhood's request for \$78,000 in FY19 Community Development Block Grant funds to support the Childcare Scholarship Assistance Program

The program provides subsidies that enable low-moderate income Lakewood households who do not income-qualify for a similar Cuyahoga County program to afford high quality childcare in a Lakewood-based facility.

Lakewood Department of Human Services, Division of Aging

Toni Gelsomino, Director of Lakewood's Department of Human Services, described and answered questions regarding the Division of Aging's request for \$38,916 in FY19 Community Development Block Grant funds to support the Senior Supportive Services Program.

The program works closely with Lakewood residents ages 62 and over and their caregivers to ensure they have access to the critical resources and supports and the capacity to safely and comfortably age in place if they so choose.

LakewoodAlive

LakewoodAlive's Ian Andrews (Executive Director) and Allison Urbanek (Housing & Internal Operations Director) described and answered questions regarding the agency's request for \$73,048 in FY19 Community Development Block Grant funds to support the agency's Housing Outreach Services Program and \$28,000 to support its Paint Rebate Program.

The Housing Outreach Program facilitates exterior home improvements and the correction of code violations among Lakewood homeowners, tenants, and landlords by assisting them with project planning, budgeting, and management; demystifying city building codes and ordinances; referring residents to and assisting them in applying for CDBG-funded and other rehabilitation assistance programs; and helping to identify and work with quality contractors.

The Paint Lakewood Program provides low-moderate income homeowners with rebates up to \$3,500 toward labor, materials and supplies associated with completed, lead-compliant exterior residential paint projects.
