## ReadyNotify

ReadyNotify is a mass notification system used to notify citizens, residents, and businesses of emergency situations, non-emergency events and provide information about necessary actions.

### What is ReadyNotify?

ReadyNotify is a mass notification system used by Cuyahoga County and the **City of Lakewood** to issue emergency notifications to the public.

ReadyNotify is primarily used for emergency notifications when rapid and accurate information is essential for your immediate safety; however you may choose to be notified of general City and County Government News as well.

### What Type of Notifications Will I receive?

You can expect to receive notifications about:

- Emergency Events
- City of Lakewood Government News
- Special Events
- Storm/Snow Events
- Safety Messages
- Other Information
- Water Boil Alerts
- Road Closures

### Did you know?

Having redundant sources of emergency notifications on mobile devices will ensure you get the right message during an emergency.

### What Type of Information is Required to Register?

Participation in the ReadyNotify Program is **voluntary**. A valid email and phone number will be needed to sign-up. During the registration process we will ask you to give us information about yourself such as your address, your primary language, and if you require any special assistance during an emergency event. Only information indicated with a star \* is required.

### How Will I Receive Messages?

When you sign-up in the system, you will receive emails as well as have the opportunity to choose how you want to receive additional messages. Additional messages can be delivered in the following ways:

- Cell Phone
- Home Phone
- Work Phone
- SMS/Text Messaging
- Fax
