

Public Notice FY19 City of Lakewood Federal Funding Process

As an entitlement jurisdiction participating in the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) programs, the City of Lakewood seeks proposals for CDBG- and ESG-eligible Fiscal Year 2019 projects. *CDBG and ESG funding is restricted to not-for-profit organizations and units of general local government.*

CDBG-funded projects must principally benefit low-moderate income Lakewood residents and/or geographies. Eligible activities must develop decent affordable housing; create and maintain a suitable living environment; eliminate slum and blight conditions; provide critical public services; and expand economic opportunity. ESG-funded projects must provide very low-income persons with homelessness prevention or emergency shelter services accompanied by evidence-based case management and housing stability interventions.

FY19 funding applications, available beginning Wednesday, August 15, 2018, are reviewed for eligibility by City staff then evaluated by Lakewood's Citizens Advisory Committee (CAC). Completed applications and all required attachments must be received no later than Tuesday, September 11, 2018 at 5pm. Funding decisions will be announced in December 2018.
