Historic Property Nominations- Updates

Ms. Rudge offered to follow up with Ian Andrews concerning the status of submitting the Masonic Temple nomination.

Preservation Awards

Ms. Rudge presented photos of a variety of projects for consideration of a preservation award, to be presented at a May City Council meeting. Each was reviewed and a final list of projects was identified for the award. Ms. Rudge will follow up with the planning department to ensure homeowner letters and certificates are prepared. Mr. Sicha left word that once the list was finalized, he would follow up with Mary Hagan and Council President O'Leary about getting on city council agenda.

Lakewood Schools discussion

Mr. Weber reported that he and Mr. Sicha met with Superintendent Patterson and School Board President Einhouse concerning the future of Taft, Franklin and Board of Education/Rec Department buildings and sites. While there have been no decisions, there seems to be some idea of the disposition of each site. All things considered, the Board of Ed and Rec structures are the most historic and most vulnerable for demolition and redevelopment. The draft presentation Mr. Weber has been putting together on the future of these sites needs to be finalized for community education. Historic importance and reuse possibilities should be highlighted. Once complete, the presentation should be linked to the Lakewood Historical Society website.
