Re: City of Lakewood Phase 1 Integrated Wet Weather Improvement Plan

Dear Ms. Ciccone:

On behalf of the citizens and the city government of Lakewood, Ohio, I am pleased to enclose four binders constituting the first phase of the city's Integrated Wet Weather Improvement Plan. For your convenience I have also enclosed an electronic version of the document on a flash drive.

We are submitting Phase 1 of the city's IWWIP pursuant to the requirements of NPDES Permit No. 3PE00004*PD, issued to the city on July 17, 2014. I very genuinely look forward to our continued discussions on promoting our local watersheds' well-being, all within the context of the Clean Water Act and the integrated planning framework that guide us.

Sincerely,

Michael P. Summers
