

ORDINANCE NO.

BY:

AN ORDINANCE to take effect on January 1, 2016 provided it receives the vote of at least five members of Council, or otherwise to take effect at the earliest period allowed by law,, amending Chapter 128, Municipal Income Tax, of the Codified Ordinances of the City of Lakewood for the purpose of meeting the mandates for municipal tax codes contained in Sub. H.B. 5, in which the 130th General Assembly comprehensively amended Chapter 718 of the Ohio Revised Code and reformed the imposition of municipal income taxes.

WHEREAS, the home rule amendment of the Ohio Constitution, Article XVIII, Section 3, provides that “[m]unicipalities shall have authority to exercise all powers of local self-government,” and the municipal taxing power is one of such powers of local self-government delegated by the people of the State to the people of municipalities; and

WHEREAS, Article XIII, Section 6 of the Ohio Constitution provides that the General Assembly may restrict a municipalities power of taxation to the extent necessary to prevent abuse of such power, and Article XVIII, Section 13 of the Ohio Constitution states that “laws may be passed to limit the powers of municipalities to levy taxes and incur debts for local purposes”; and

WHEREAS, the General Assembly has determined that it is necessary and appropriate to comprehensively review and amend Chapter 718 of the Ohio Revised Code, setting forth statutory requirements for municipal income tax codes in Ohio; and

WHEREAS, more specifically, the General Assembly enacted Sub. H. B. 5 in December 2014, and mandated that municipal income tax codes be amended by January 1, 2016 such that any income or withholding tax is “levied in accordance with the provisions and limitations specified in [Chapter 718];” and

WHEREAS, upon a detailed review of Sub. H. B. 5 and the Codified Ordinances of the City of Lakewood, this ordinance is found and determined by this Council to enact the amendments required prior to the January 1, 2016 deadline to be in accord with the provisions and limitations specified in Chapter 718 of the Revised Code; and

WHEREAS, Council also finds and determines that the constitutionality of certain provisions of the state-mandated code may have been put in question by recent decisions of the Ohio Supreme Court regarding, among other things, taxation of professional athletes, but these provisions must be included if the municipal income tax code is to be “levied in accordance with the provisions and limitations specified in [Chapter 718]” and thus reluctantly are adopted by this Council but are disclaimed to the extent they are unlawful or unconstitutional; and

WHEREAS, this Council by a vote of at least five of its members determines that this or-

dinance is an emergency measure and that it shall take effect on January 1, 2016 as set forth in Article III, Sections 10 and 13 of the Second Amended Charter of the City of Lakewood and that it is necessary for the immediate preservation of the public property, health, and safety and to provide for the usual daily operation of municipal departments in that the City must make this new chapter effective in accordance with state law; now, therefore,

An annual tax for the purposes specified in Section 128.0101 shall be imposed on and after January 1, 1981, at the rate of one and one-half percent (1-1/2%) per annum upon the following:

(a) On all income, salaries, qualifying wages, commissions and other compensation earned and/or received on and after January 1, 1981, by residents of the City. For clarification “income” includes, but is not limited to, lottery, gambling and sports winnings, and games of chance.

(1) If the taxpayer is considered a professional gambler for federal income tax purposes, related deductions as permitted by the Internal Revenue Code shall be allowed against gambling and sports winnings.

(2) If the taxpayer is not considered a professional gambler for federal income tax purposes, a deduction equal to the amount of up to \$600 of income combined from lottery, gambling and sports winnings, and games of chance, or a deduction of \$600, whichever is less, shall be allowed, provided that in no case shall the deduction exceed the amount of combined income from lottery, gambling and sports winnings, and games of chance. If said income is payable to the

taxpayer in more than one year, the deduction applies only in the first year in which the income is received.

(b) On all income, salaries, qualifying wages, commissions and other compensation earned and/or received on and after January 1, 1981, by nonresidents of the City for work done or services performed or rendered within the City. Separation pay, termination pay, reduction-in-force pay, and other compensation paid as a result of an employee leaving the service of an employer shall be allocable only to the city.

(1) Lakewood shall not, however, tax the compensation of a non-resident individual who will be deemed to be an occasional entrant if all of the following apply:

A. The compensation is paid for personal services performed by the individual in the City on twelve or fewer days during the calendar year, in which case the individual shall be considered an occasional entrant for purposes of the City income tax. A day is a full day or any fractional part of a day.

B. In the case of an individual who is an employee, the principal place of business of the individual's employer is located outside the City and the individual pays tax on compensation described in Section 1 28.0SOI(b) to the municipality, if any, in which the employer's principal place of business is located, and no portion of that tax is refunded to the individual.

C. The individual is not a professional entertainer or professional athlete, the promoter of a professional entertainment or sports event, or an employee of such a promoter, all as may be reasonably defined by the City.

(2) Beginning with the thirteenth day an individual deemed to have been an occasional entrant to the City performs services within the City, the employer of said individual shall begin withholding the City income tax from remuneration paid by the employer to the individual, and shall remit the withheld income tax to the City in accordance with the requirements of this chapter.

Since the individual can no longer be considered to have been an occasional entrant, the employer is further required to remit taxes on income earned in the City by the individual for the first twelve days.

(3) If the individual is self-employed, it shall be the responsibility of the individual to remit the appropriate income tax to the City.

(c) (1) On the portion attributable to the City on the net profits earned on and after January 1, 1981, of all resident unincorporated business entities or professions or other activities, derived from sales made, work done, services performed or rendered and business or other activities conducted in the City.

(2) On the portion of the distributive share of the net profits earned or received on and after January 1, 1981, of a resident partner or owner of a resident unincorporated business entity not attributable to the City and not levied against such unincorporated business entity by the City. The tax imposed on the individual members or owners of a resident unincorporated business entity shall be collected by the resident unincorporated business entity, and remitted on behalf of the individual members or owners.

(d) (1) On the portion attributable to the City of the net profits earned on or after January 1, 1981, of all nonresident unincorporated business entities, professions or other activities, derived from sales made, work done, services performed or rendered and business and other activities conducted in the City, whether or not such unincorporated business entity has an office or place of business in the City.

(2) On the portion of the distributive share of the net profits earned or received on or after January 1, 1981, of a resident partner or owner of a nonresident unincorporated business entity not attributable to the City and not levied against such unincorporated business entity by the City.

(e) Effective for tax years 2004 and later, the distributive share of income paid to an C corporation shareholder shall be taxable in the following manner:

- (1) If no portion of the net profits of the S corporation are allocated or apportioned to the State of Ohio, the distributive share is taxable only to the extent that it represents wages or net earnings from self-employment.
- (2) If any portion of the net profits of the S corporation are allocated or apportioned to the State of Ohio, the full amount of the distributive share is taxable.
- (f) On the portion attributable to the City of the net profits earned on and after January 1, 1981, of all corporations derived from sales made, work done, services performed or rendered and business or other activities conducted in the City, whether or not such corporations have an office or place of business in the City.
- (g) On the portion attributable to this Municipality pursuant to the terms of this chapter and including "Royalty income", which means income earned from a royalty interest in the production of an oil or gas well. (Ord. 71-10. Passed 11-1-10.)

128.0502 EFFECTIVE PERIOD.

Such tax shall be levied, collected and paid with respect to the income, salaries, wages, commissions and other compensation, and with respect to the net profits of businesses, professions or other activities earned on and after January 1, 1981. (Ord. 71-10. Passed 11-1-10.)

DETERMINATION OF ALLOCATION OF TAX

128.0701 METHOD OF DETERMINATION.

Net profit from a business or profession conducted both within and without the boundaries of the City shall be considered as having a taxable situs in the City for purposes of municipal income taxation in the same proportion as the average ratio of:

- (a) The average original cost of the real and tangible personal property owned or used by the taxpayer in the business or profession in the City during the taxable period to the average original cost of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated. As used in this section, real property includes property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.
- (b) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the City to wages, salaries and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed. For tax year 2004 and subsequent tax years, wages, salaries, and other compensation shall be included to the extent that they represent qualifying wages.
- (c) Gross receipts of the business or profession from sales made and services performed during the taxable period in the City to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis (including the books and records method) may, under uniform regulations, be substituted so as to produce such result. (Ord. 71-10. Passed 11-1-10.)

128.0702 SALES MADE IN THE CITY.

As used in Section 128.0701(c), "sales made in the City" means:

- (a) All sales of tangible personal property which is delivered within the City regardless of where title passes if shipped or delivered from a stock of goods within the City.
- (b) All sales of tangible personal property which is delivered within the City regardless of where title passes even though transported from a point outside the

City if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City and the sales result from such solicitation or promotion.

(c) All sales of tangible personal property which is shipped from a place within the City to purchasers outside of the City regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made. (Ord. 71-10. Passed 11-1-10.)

128.0703 TOTAL ALLOCATION.

Add together the percentages determined in accordance with subsections (a), (b) and (c) of Section 128.0701, or such of the aforesaid percentages as are applicable to the particular taxpayer and divide the total so obtained by the number of percentages used in deriving such total in order to obtain the business allocation percentage referred to in Section 128.0701. A factor is applicable even though it may be allocable entirely in or outside the City. (Ord. 71-10. Passed 11-1-10.)

128.0704 RENTALS.

(a) Rental income received by a taxpayer shall be included in the computation of net profits from business activities under subsections (c), (d) and (e) of Section 128.0501, only if and to the extent that the rental, ownership, management or operations of the real estate from which such rentals are derived (whether so rented, managed or operated by a taxpayer individually or through agents or other representatives) constitutes a business activity of the taxpayer in whole or in part. If it does not constitute a business activity, the income is taxable simply as "other income".

(b) Where the gross monthly rental of any and all real properties regardless of number and value, aggregates in excess of two hundred fifty dollars (\$250.00) per month, it shall be prima facie evidence that the rental, ownership, management or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax; in the case of commercial property, the owner shall be considered engaged in a business activity when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds two hundred fifty dollars (\$250.00) per month; in the case of farm property, the owner shall be considered engaged in a business activity when he shares in crops or when the rental is based on a percentage of the gross or net receipts derived from the farm, whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month; the person who operates a licensed rooming house shall be considered in business whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month. (Ord. 71-10. Passed 11-1-10.)

128.0705 OPERATING LOSS CARRY FORWARD.

(a) The portion of a net operating loss sustained in any taxable year subsequent to July 1, 1967, allocable to the City may be applied against the portion of the profit of succeeding tax years allocable to the City, until exhausted but in no event for more than five taxable years immediately following the year in which the loss occurred. No portion of a net operating loss shall be carried back against net profits of any prior year.

(b) The portion of net operating loss sustained shall be allocated to the City in the same manner as provided herein for allocating net profits to the City.

(c) The Administrator shall provide by rules and regulations the manner in which such net operating loss carry forward shall be determined. (Ord. 71-10. Passed 11-1-10.)

(a) Where necessary, an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements, limitations, or both, contained in Sections 128.1701, 128.1702, 128.1703 and 128.1902. Such amended return shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting (that is, cash or accrual) or apportionment of net profit after the due date for filing the original return.

(b) Within three months from the final determination of any federal tax liability affecting the taxpayer's City tax liability, such taxpayer shall make and file an amended City return showing income subject to the City tax based upon such final determination of federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment. (Ord. 71-10. Passed 11-1-10.)

128.1106 BUSINESS LOSSES.

Each taxpayer may offset business losses against business net profits from any business conducted in the Municipality or in any Municipality that does not levy an income tax on net profits therefrom. However, a loss from the operation of a business may not be used to offset the income on a taxpayer's W-2 and/or 1099 forms. (Ord. 71-10. Passed 11-1-10.)

128.1107 REPORTING A NET LOSS.

Any business, profession, association or corporation reporting a net loss is subject to the filing requirements of this chapter. (Ord. 71-10. Passed 11-1-10.)

PAYMENT OF TAX

128.1301 PAYMENT OF TAX ON FILING OF RETURNS.

(a) The taxpayer making a return shall, at the time of filing thereof, pay to the Administrator the amount of taxes shown as due thereon provided, however, that:

(1) Where any portion of the tax so due has been deducted at the source pursuant to the provisions of Section 128.1302 or,

(2) Where any portion of the tax has been paid by the taxpayer pursuant to the provisions of Section 128.1303 or,

(3) Where an income tax has been paid on the same income to another municipality, credit for the amount so deducted or paid, or credit to the extent provided for in Section 128.1902, shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing the return.

(b) A taxpayer who has overpaid the amount of tax to which the City is entitled under the provisions of this chapter may have such overpayment applied against any subsequent liability hereunder, or, at his election, indicated on the return, such overpayment (or part thereof) shall be refunded, provided that no additional taxes or refunds of less than five dollars (\$5.00) shall be collected or refunded.

(c) If any employer which is liable for tax obligations imposed by this chapter undergoes a fundamental change, then the employer and its manager shall be liable for taxes due up to the date of the fundamental change. Taxes and final tax returns shall be due immediately after the fundamental change. Any successor employer shall withhold from any purchase price that the successor owes to the predecessor an amount sufficient to pay all unpaid taxes, interest and penalty which the predecessor employer owes pursuant to this chapter. The successor

employer shall make such withholding until such time that the predecessor employer has paid such taxes, interest and penalties. If the successor fails to withhold such amount, then the successor, and in a personal manner, the successor's manager shall be jointly and severally liable for the payment of such taxes, interest and penalty. (Ord. 71-10. Passed 11-1-10.)

128.1302 COLLECTION AT SOURCE.

(a) In accordance with rules and regulations prescribed by the Administrator, each employer within or doing business within the City shall deduct, at the time of the payment of such income, salary, wages, commission or other compensation, the tax of one and one-half percent (1-1/2%) per annum of the gross income, salaries, wages, commissions or other compensation due by the employer to each employee, and shall, on or before the last day of each month, make a return and pay to the Administrator the amount of taxes so deducted during the previous month. However, if the amount of the tax so deducted by an employer in any one month is less than one hundred

dollars (\$100.00) per month based on the previous tax year's quarterly average, the employer may defer the filing of a return and payment of the amount deducted until the last day of the month following the end of the calendar quarter in which such month occurred.

(b) Such returns shall be on a form or forms prescribed or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. The employer shall be liable for the payment of the tax required to be deducted and withheld whether or not such taxes have, in fact, been withheld.

(c) The employer in collecting the tax shall be deemed to hold the same until payment is made by such employer to the City as a trustee for the benefit of the City, and any such tax collected by such employer from his employees shall, until the same is paid to the City be deemed a trust fund in the hands of such employer.

(d) No person shall be required to withhold the tax on wages or other compensation paid domestic servants employed by him exclusively in or about such person's residence, even though such residence is in the City, but such employee shall be subject to all of the requirements of this chapter.

(e) Manager's Obligation.

(1) Every manager is deemed to be a trustee of this Municipality in collecting funds and holding the tax required under ordinance to be withheld, and the funds so collected by such withholding are deemed to be trust funds. Every manager is liable directly to this Municipality for payment of such trust, whether actually collected by such employer or not. Any tax deducted and withheld is to be considered paid to this Municipality, whether or not the employer actually remits the tax to this Municipality for purposes of determining employee payments or credits.

(2) All managers shall be personally liable to the extent of the tax, interest, and penalty, jointly and severally, for failure to file the employer's return or to pay the employer's tax, interest and penalty as required under this chapter.

(3) No change in structure by an employer, including a fundamental change, discharges its managers from liability for the employees' or manager's failure to remit funds held in trust, to file a tax return or to pay taxes.

(t) On or before February 28 of each year, beginning with the year 1986, each employer shall file a withholding return setting forth the names, addresses, and social security numbers of all employees from whose compensation the tax was withheld during the preceding calendar year, the amount of tax withheld from his or her employees and such other information as may be required by the Administrator. All payments not subject to withholding shall be reported on a form required by the Administrator.

(g) On or before February 28 of each year all individuals, businesses, employers, brokers or other who engage persons, either on a fee or commission basis or

as independent contractors and not employees (those who are not subject to withholding) must provide the Municipality with copies of all 1099 miscellaneous income forms and/or a list of names, addresses, Social Security Numbers or federal identification numbers and a total amount of earnings, payments, bonuses, commissions and/or fees paid to each person.

(h) All employers that provide any contractual service within the City, and who employ subcontractors in conjunction with that service shall, prior to commencement of the service, provide the City the names and addresses of the subcontractors. The subcontractors shall be responsible for all income tax employer requirements under this chapter. (Ord. 71-10. Passed 11-1-10.)

128.1303 DECLARATIONS OF INCOME NOT COLLECTED AT SOURCE.

(a) Every person who anticipates any taxable income which is not subject to Section 128.1902 and/or from which tax will not be fully withheld at Lakewood's tax rate, or who engages in any business, profession, enterprise or activity subject to the tax imposed by Section 128.0501, shall file a declaration setting forth such estimated income or the estimated profit or loss from such business activity, together with the estimated tax due thereon, if any, and shall make the estimated payments required herein.

(b) If the estimated tax for the current year, less the tax to be withheld and less the tax credit allowed in Section 128.1902, is less than one hundred dollars (\$100.00), no declaration or payment of estimated tax is required. (Ord. 71-10. Passed 11-1-10.)

128.1304 FILING OF DECLARATION.

(a) The declaration required by Section 128.1303 shall be filed on or before the April 15 of each year during the effective period set forth in Section 128.0502 or within one hundred five (105) days of the date the taxpayer becomes subject to tax for the first time.

(b) Those taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month following the end of such fiscal year or period. (Ord. 71-10. Passed 11-1-10.)

Credit shall be taken for the City tax to be withheld from any portion of such income and credit shall be taken for tax to be paid or withheld and remitted to another taxing municipality, in accordance with the provisions of Section 128.1902.

(b) The original declaration or any subsequent amendment thereof may be increased or decreased on or before any subsequent quarterly payment date as provided for herein. (Ord. 71-10. Passed 11-1-10.)

128.1306 PAYMENT TO ACCOMPANY DECLARATION.

Such declaration of estimated tax to be paid to the City shall be accompanied by a payment of at least one-fourth of the estimated non-withheld and/or under-withheld tax due, and at least a similar amount shall be paid on or before the last day of the seventh and tenth months after the beginning of the taxable year, and on or before the last day of the first month of the succeeding year following the taxable year. However, if an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

(a) If the taxpayer is an individual, at least a similar amount shall be paid on or before the last day of the seventh (7th), tenth (10th), and thirteenth (13th) months after the beginning of the taxpayer's taxable year, provided that in case an amended declaration has been filed, or the taxpayer is taxable for a portion of

the year only, the unpaid balance shall be paid in equal installments on or before the remaining payment dates.

(b) If the taxpayer is a corporation or association, at least a similar amount shall be paid on or before the fifteenth day of the sixth, ninth, and twelfth months of the taxable year; provided, however, that in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

(c) No penalties or interest shall be assessed, for not filing a declaration, on any resident taxpayer who was not domiciled in the City on the first day of January in the year in which they became subject to estimated payments, nor shall penalties or interest be assessed on estimated payments if the taxpayer has remitted an amount equal to one hundred percent (100%) of the previous year's tax liability, provided that the previous year reflected a twelve-month period and the taxpayer filed a return for that year, nor shall penalties or interest be assessed on estimated payments if the taxpayer has remitted an amount equal to ninety percent (90 %) of the final tax liability for the tax year due on or before April 15th of the current year. (Ord. 71-10. Passed 11- 1-10.)

128.1307 ANNUAL RETURN.

On or before the fifteenth day of the fourth month of the year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due the City shall be paid therewith in accordance with the provisions of Section 128.1301. (Ord. 71-10. Passed 11-1-10.)

128.1501 INTEREST ON UNPAID TAX.

All taxes imposed and all moneys withheld or required to be withheld by employers and all installments of estimated taxes required to be paid under the provisions of this chapter and remaining unpaid after they become due, shall bear interest at the rate of eight percent (8%) per annum. (Ord. 71-10. Passed 11-1-10.)

128.1502 PENALTIES ON UNPAID TAX.

In addition to interest as provided in Section 1 28.1501, penalties based on the unpaid tax or installments of estimated tax are hereby imposed as follows:

(a) For failure to pay taxes or estimated taxes due, other than taxes withheld: one percent (1%)

per month or fraction of a month thereof, but not less than twenty-five dollars (\$25.00).

(b) For failure to remit taxes withheld from employees: ten percent (10%) per month or fraction of a month thereof, but the accumulated penalty shall not exceed fifty percent (50 %) upon any unpaid amount and shall not be less than twenty-five dollars (\$25.00).

(c) A Penalty of twenty-five dollars (\$25.00) shall be assessed for failure to file an income tax return. This penalty shall be in addition to any other penalties that may be assessed. (Ord. 71-10. Passed 11-1-10.)

128.1503 EXCEPTIONS.

A penalty shall not be assessed on an additional tax assessment made by the Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Administrator; and in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three months after a final determination of the federal tax liability. (Ord. 71-10. Passed 11-1-10.)

128.1504 ABATEMENT OF INTEREST AND PENALTY.

Either the Administrator hereunder or the Board of Review may abate penalty or interest, or both, for good cause shown. (Ord. 71-10. Passed 11-1-10.)

 - (i) Give to an employer false information as to his true name, correct social security number and residence address or fail to promptly notify an employer of any change in residence address and date thereof; or
 - (j) Fail to use ordinary diligence in maintaining proper records of employees residence addresses, total wages paid and City tax withheld, or to knowingly give the Administrator false information; or
 - (k) Attempt to do anything whatever to avoid the payment of the whole or any part of the tax, penalties or interest imposed by this chapter;
- shall be guilty of a first-degree misdemeanor and shall be fined not more than one thousand dollars (\$1,000) or imprisoned not more than six months, or both, for each offense. (Ord. 71-10. Passed 11-1-10.)

128.1506 LIMITATION ON PROSECUTION.

All prosecutions under this section must be commenced within three (3) years from the time of the offense complained of, except in the case of failure to file a return or in the case of filing a false or fraudulent return or a return having an omission of twenty-five percent (25%) or more of income subject to this tax, in which event the limitation of time within which prosecution must be commenced shall be six (6) years from the date the return was due or the date the false or fraudulent return was filed. (Ord. 71-10. Passed 11-1-10.)

128.1507 FAILURE TO PROCURE FORMS NOT EXCUSE.

The failure of any employer or person to receive or procure a return, declaration or other required form shall not excuse him from making any information return, or declaration, from filing such form, or from paying the tax. (Ord. 71-10. Passed 11-1-10.)

COLLECTION OF UNPAID TAXES
AND REFUNDS OF OVERPAYMENTS

128.1701 UNPAID TAXES RECOVERABLE AS OTHER DEBTS.

All taxes imposed by this chapter shall be collectible, together with any interest and penalties thereon, by suit, as other debts of like amount are recoverable. All

legal actions to recover municipal income taxes and penalties and interest thereon shall be brought within three (3) years after the tax was due or the return was filed, whichever is later, except in the case of fraud, of omission of twenty-five percent (25%) or more of income subject to this tax, or of failure to file a return, an additional assessment shall not be made or legal action initiated after six (6) years from the time the return was due or filed, whichever is later. However, in those cases in which a Commissioner of Internal Revenue and the taxpayer have executed a waiver of the federal statute of limitations, the period within which an additional assessment may be made by the Administrator shall be one year from the time of the final determination of the federal tax liability. (Ord. 71-10. Passed 11-1-10.)

128.1702 REFUNDS OF TAXES ERRONEOUSLY PAID.

(a) Taxes erroneously paid shall not be refunded unless a claim for refund is made within three years from the date which such payment was made or the return was due, or within three months after the final determination of the federal tax liability, whichever is later. In addition, the following shall apply regarding refunds of tax withheld from non-qualified deferred compensation plans (NDCP):

(1) A taxpayer may be eligible for a refund if the taxpayer has suffered a loss from a NDCP. The loss will be considered sustained only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to the NDCP. Full loss is sustained if no distribution of money and property will be made by the NDCP.

(2) A taxpayer who receives income as a result of payments from a NDCP, and that income is less than the amount of income deferred to the NDCP and upon which municipal tax was withheld, then a refund will be issued on the amount representing the difference between the deferred income that was taxed and the income received from the NDCP. If different tax rates applied to the tax years in which deferrals, a weighted average of the different tax rates will be used to compute the refund amount.

(3) Refunds shall be allowed only if the loss is attributable to the bankruptcy of the employer who had established the NDCP, or the employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified compensation.

(b) Income tax that has been deposited with the City of Lakewood, but should have been deposited with another municipality, is allowable by the City of Lakewood as a refund but is

subject to the three-year limitation on refunds. Income tax that should have been deposited with the City of Lakewood, but was deposited with another municipality, shall be subject to recovery by the City of Lakewood. The City of Lakewood will allow a non-refundable credit for any amount owed the City of Lakewood that is in excess of the amount to be refunded by the other municipality, as long as the tax rate of the other municipality is the same or higher than the City of Lakewood's tax rate. If the City of Lakewood's tax rate is higher, the tax representing the net difference of the rates is also subject to collection by the City of Lakewood.

(c) Overpayments of withheld tax that have resulted due to incorrect withholding of an employee by an employer, and are not due as a result of excess withholding requested by the

employee, shall be refunded to the employer. It shall be the responsibility of the employer, and not the City of Lakewood, to refund such overpayment to the employee. However, nothing in this subparagraph shall affect the right of a non-resident employee to apply directly to the City of Lakewood for refund of income tax withheld for days worked out of Lakewood.

(d) Payments on delinquent amounts shall be applied in the following manner:

(1) To unpaid tax, then to penalty and interest assessments, on a year-by-year order beginning with the oldest year for which delinquencies are due.

(2) To the taxpayer's current estimated tax liability. (Ord. 71-10. Passed 11-1-10.)

128.1703 AMOUNTS OF LESS THAN FIVE DOLLARS.

Amounts of less than five dollars (\$5.00) shall not be collected or refunded. (Ord. 71-10. Passed 11-1-10.)

CREDIT FOR TAX PAID TO OTHER MUNICIPALITIES

128.1901 NONRESIDENT TAXPAYERS.

Section 128.1901 was repealed by Ordinance 73-71, passed December 20, 1971. (Ord. 71-10. Passed 11-1-10.)

128.1902 TAX CREDIT.

(a) When the taxable income of a resident of the City of Lakewood is subject to a municipal income tax in another municipality on the same income taxable under this chapter, such resident shall be allowed a credit of the amount of income tax paid on such taxable income to such other municipality, equal to fifty percent (50%) of the amount obtained by multiplying the lower of the tax rate of such other municipality or of the City of Lakewood by the taxable income earned in or attributable to the municipality of employment or business activity but, in any event, such credit shall not be applied to a rate in excess of one percent (1%) of the taxable income earned in or attributable to the municipality of employment or business activity. For the purposes of this section, taxable income shall include the distributive share of net profits of a resident partner or owner of an unincorporated business entity.

(b) A claim for credit or refund under this section shall be made in such manner as the Administrator may by regulation provide. In the event such Lakewood resident fails, neglects, or refuses to file an annual return or declaration on the form prescribed by the Administrator, he shall not be entitled to such credit or refund and shall be considered in violation of this chapter for failure to file a return. (Ord. 71-10. Passed 11-1-10.)

128.1903 CLAIM FOR CREDIT.

Section 128.1903 was repealed by Ordinance 73-71, passed December 20, 1971. (Ord. 71-10. Passed 11-1-10.)

DISBURSEMENT OF RECEIPTS OF TAX COLLECTION

128.2302 DUTY TO ENFORCE COLLECTION.

It shall be the duty of the Administrator to enforce payment of all taxes owing to the City, to keep accurate records for a minimum of six (6) years showing the amount due from each taxpayer required to file a declaration and make any return, or both, including taxes withheld, and to show the dates and amounts of payments thereof. (Ord. 71-10. Passed 11-1-10.)

128.2303 AUTHORITY TO MAKE AND ENFORCE REGULATIONS.

The Administrator is hereby charged with the enforcement of the provisions of this chapter, and is hereby empowered, subject to the approval of the Board of Review, to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the collection of taxes and the administration and enforcement of the provisions of this chapter, including provisions for the re-examination and correction of returns. Taxpayers are hereby required to comply with the requirements of this chapter and the rules and regulations. (Ord. 71-10. Passed 11-1-10.)

128.2304 AUTHORITY TO ARRANGE INSTALLMENT PAYMENTS.

The Administrator is authorized to arrange for the payment of unpaid taxes, interest and penalties on a schedule of installment payments, when the taxpayer has proved to the Administrator that, due to certain hardship conditions, he is unable to pay the full amount of the tax due. Such authorization shall not be granted until proper returns are filed by the taxpayer for all amounts owed by him under this chapter. Failure to make any deferred payment when due shall cause the total unpaid amount, including penalty and interest, to become payable on demand and the provisions of Sections 1 28.1 505 and 1 28. 1 701 shall apply. (Ord. 71-10. Passed 11-1-10.)

128.2305 AUTHORITY TO DETERMINE AMOUNT OF TAX DUE.

(a) If the taxpayer fails to file a tax return which is required by this chapter within the time prescribed, but consents to disclose all information necessary to the preparation thereof, then the Administrator may prepare such return which, after being signed by such person, may be received by the Administrator as the return of such person.

(b) If any taxpayer fails to file a tax return which is required by this chapter within the time prescribed therefore, or makes willfully or otherwise, a false or fraudulent return, then the Administrator shall make in a reasonable manner such return from his own knowledge and from such information as he can obtain throughout testimony or otherwise.

(c) In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Administrator may determine the amount of tax appearing to be due this City from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined, together with interest and penalties thereon, if any. Such determination may be modified or amended based upon information or data subsequently secured

by or made available to the Administrator. If the taxpayer fails to respond to the assessment within 30 days, the tax, penalties, and interest assessed shall become due and payable and collectible as are other unpaid taxes, penalty, and interest.

(d) Neither the Tax Administrator's execution of a return nor the Tax Administrator's assessment of a taxpayer shall start the running of the period of limitations on prosecutions set forth elsewhere in this chapter. (Ord. 71-10. Passed 11-1-10.)

128.2306 AUTHORITY TO MAKE INVESTIGATIONS.

The Administrator, or any authorized employee, is hereby authorized to examine the books, papers, records and federal and State income tax returns of any employer or of any taxpayer or person subject to, or whom the Administrator believes is subject to the provisions of this chapter, for the purpose of verifying the

accuracy of any return made, or, if no return was made, to ascertain the tax due under this chapter. Every such employer, supposed employer, taxpayer or supposed taxpayer is hereby directed and required to furnish, within ten (10) calendar days following a upon written request by the Administrator, or his duly authorized agent or employee, the means, facilities and opportunity for making such examinations and investigations as are hereby authorized. (Ord. 71-10. Passed 11-1-10.)

128.2307 AUTHORITY TO COMPEL PRODUCTIONS OF RECORDS.

The Administrator is hereby authorized to order any person presumed to have knowledge of the facts to appear before him and may examine such person, under oath, concerning any income which was or should have been returned for taxation or any transaction tending to affect such income, and for this purpose may compel the production of books, papers, records and federal and State income tax returns and the attendance of all persons before him whether as parties or witnesses, whenever he believes such persons have knowledge of such income or information pertinent to such inquiry. (Ord. 71-10. Passed 11-1-10.)

(Ord. 71-10. Passed 11-1-10.)

128.2309 CONFIDENTIAL NATURE OF INFORMATION OBTAINED.

The Director of Finance is further authorized to pay the costs of services, materials or information received pursuant to such agreements, and to charge such officials for services, materials or information supplied. (Ord. 71-10. Passed 11-1-10.)

128.2310 TAXPAYER REQUIRED TO RETAIN RECORDS.

Every taxpayer shall retain all records necessary to compute his tax liability for a period of six (6) years from the date his return is filed, or the withholding taxes are paid. (Ord. 71-10. Passed 11-1-10.)

(a) (1) Each employer, agent of an employer, or other payer located or doing business in the Municipality shall withhold from each employee an amount equal to the qualifying wages of the employee earned by the employee in the Municipality multiplied by the applicable rate of the Municipality's income tax, except for qualifying wages for which withholding is not required under section 128.052 of this Chapter or division (d) or (f) of this section. An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.

(2) In addition to withholding the amounts required under division (a)(1) of this section, an employer, agent of an employer, or other payer may also deduct and withhold, on the request of an employee, taxes for the municipal corporation in which the employee is a resident.

(b) (1) An employer, agent of an employer, or other payer shall remit to the Tax Administrator of the Municipality the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer, along with any report required by the Tax Administrator to accompany such payment, according to the following schedule:

(A) Any employer, agent of an employer, or other payer not required to make payments under division (b)(1)(B) of this section of taxes required to be deducted and withheld shall make quarterly payments to the Tax Administrator not later than the fifteenth day of the month following the end of each calendar quarter.

(B) Taxes required to be deducted and withheld shall be remitted monthly to the Tax Administrator if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the municipal corporation in the preceding calendar year exceeded two thousand three hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the Municipality in any month of the preceding calendar quarter exceeded two hundred dollars. Payment under division (b)(1)(B) of this section shall be made so that the payment is received by the Tax Administrator not later than fifteen days after the last day of each month.

(C) An employer, agent of an employer or other payer may be required to make payment by electronic funds transfer to the Tax Administrator of all taxes deducted and withheld on behalf of the employee for remittance to the Municipality if the employer, agent of an employer, or other payer is required to make payments electronically for the purpose of paying federal taxes withheld on payments to employees under section 6302 of the Internal Revenue Code, 26 C.F.R. 31.6302-1, or any other federal statute or regulation. The payment of tax by electronic funds

transfer under this division does not affect an employer's, agent's, or other payer's obligation to file any return as required under this section. Once the threshold for remitting payment electronically for federal purposes has been met, any accrued municipal income tax withheld from employee qualifying wages earned within the Municipality shall be remitted to the Municipality at the same time that the federal tax withholding payment is due.

(c) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the Tax Administrator

(d) An employer, agent of an employer, or other payer is not required to withhold municipal income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

(e) (1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.

(2) The failure of an employer, agent of an employer, or other payer to remit to the Municipality the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

(f) Compensation deferred before June 26, 2003, is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(g) Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for the Municipality until such time as the withheld amount is remitted to the Tax Administrator.

(h) On or before the last day of February of each year, an employer shall file a Withholding Reconciliation Return with the Tax Administrator listing the names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for the Municipality during the preceding calendar year, the amount of tax withheld, if any, from each such employee's qualifying wage, the total amount of qualifying wages paid to such employee during the preceding calendar year, the name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year, any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee, and other information as may be required by the Tax Administrator.

due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.

(j) An employer is required to deduct and withhold municipal income tax on tips and gratuities received by the employer's employees and constituting qualifying wages only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.

(k) A Tax Administrator shall consider any tax withheld by an employer at the request of an employee when such tax is not otherwise required to be withheld by this Chapter to be tax required to be withheld and remitted for the purposes of this section. At no time shall an employer withhold at a rate greater than that of the municipality. (ORC 718.03)

(l) No person shall be required to withhold the tax on wages or other compensation paid domestic servants employed by him exclusively in or about such person's residence, even though such residence is in the Municipality, but such employee shall be subject to all of the requirements of this chapter.

If the employee is not required to report for employment

duties on a regular and ordinary basis to a fixed location or worksite location, “principal place of work” means the location in this state at which the employee spends the greatest number of days in a calendar year performing services for or on behalf of the employee’s employer.

If there is not a single municipal corporation in which the employee spent the “greatest number of days in a calendar year” performing services for or on behalf of the employer, but instead there are two or more municipal corporations in which the employee spent an identical number of days that is greater than the number of days the employee spent in any other municipal corporation, the employer shall allocate any of the employee’s qualifying wages subject to division (b)(1)(A) of this section among those two or more municipal corporations. The allocation shall be made using any fair and reasonable method, including, but not limited to, an equal allocation among such municipal corporations or an allocation based upon the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee’s “principal place of work” with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be deemed in accordance with division (b)(2) of this section, except that “location” shall be substituted for “municipal corporation” wherever “municipal corporation” appears in that division.

- (b) (1) Subject to divisions (c), (e), (f), and (g) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:
 - (A) The employee’s principal place of work is located in the Municipality.
 - (B) The employee performed services at one or more presumed worksite locations in the Municipality. For the purposes of this division, “presumed worksite location” means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can “reasonably be expected by the employer to last more than twenty days” if either of the following applies at the time the services commence:
 - (i) The nature of the services are such that it will require more than twenty days of actual services to complete the services;
 - (ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.
 - (C) The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee’s qualifying wages as provided in section 128.051 of this Chap-

ter.

(D) The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure within the Municipality.

(2) For the purposes of division (b)(1) of this section, an employee shall be considered to have spent a day performing services in a municipal corporation only if the employee spent more time performing services for or on behalf of the employer in that municipal corporation than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:

(A) Traveling to the location at which the employee will first perform services for the employer for the day;

(B) Traveling from a location at which the employee was performing services for the employer to any other location;

(C) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;

(D) Transporting or delivering property described in division (b)(2)(C) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;

(E) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(c) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with this chapter, the exception from withholding requirements described in division (b)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.

(d) (1) Except as provided in division (d)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in a municipal corporation exceeds the twenty-day threshold described in division (b)(1) of this section, the employer shall withhold and remit tax to that municipal corporation for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in that municipal corporation.

(2) An employer required to begin withholding tax for a municipal corporation under division (d)(1) of this section may elect to withhold tax for that municipal corporation for the first twenty days on which the employer paid qualifying wages to the employee for personal services performed in that municipal corporation.

(3) If an employer makes the election described in division (d)(2) of this section, the taxes withheld and paid by such an employer during those first twenty days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.

(e) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in Section 128.03 of this Chapter. To determine whether an employer qualifies as a small employer for a taxable year, a Tax Administrator may require the employer to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.

(f) Divisions (b)(1) and (d) of this section shall not apply to the extent that a Tax Administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of section 128.051 of this Chapter.

128.053 COLLECTION AT SOURCE; VLT

(a) The Municipality shall require a casino facility or a casino operator, as defined in Section 6(C)(9) of Article XV, Ohio Constitution, and section 3772.01 of the Ohio Revised Code, respectively, or a lottery sales agent conducting video lottery terminals sales on behalf of the state to withhold and remit municipal income tax with respect to amounts other than qualifying wages as provided in this section.

(b) If a person's prize award from a video lottery terminal is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(c) Amounts deducted and withheld by a video lottery sales agent are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

(2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the Tax Administrator of the Municipality providing the names, addresses, and social security num-

bers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the Tax Administrator. With the return, the video lottery sales agent shall remit electronically to the Tax Administrator all amounts deducted and withheld during the preceding month.

(3) A video lottery sales agent shall maintain a record of all receipts issued under division (e) of this section and shall make those records available to the Tax Administrator upon request. Such records shall be maintained in accordance with section 5747.17 of the Ohio Revised Code and any rules adopted pursuant thereto.

(4) Annually, on or before the thirty-first day of January, each video lottery terminal sales agent shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the Tax Administrator of the municipal corporation a copy of each information return issued under this division. The Tax Administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(d) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

(1) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(2) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is per-

sonally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(e) The failure of a video lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve that person from liability for the municipal income tax with respect to that prize award.

(f) If a lottery sales agent files a return late, fails to file a return, remits amounts deducted and withheld late, or fails to remit amounts deducted and withheld as required under this section, the Tax Administrator of a municipal corporation may impose the following applicable penalty:

(1) For the late remittance of, or failure to remit, tax deducted and withheld under this section, a penalty equal to fifty per cent of the tax deducted and withheld;

(2) For the failure to file, or the late filing of, a monthly or annual return, a penalty of five hundred dollars for each return not filed or filed late. Interest shall accrue on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Ohio Revised Code.

(g) Amounts deducted and withheld on behalf of a municipal corporation shall be allowed as a credit against payment of the tax imposed by the municipal corporation and shall be treated as taxes paid for purposes of section 128.07 of this Chapter. This division applies only to the person for whom the amount is deducted and withheld.

(h) The Tax Administrator shall prescribe the forms of the receipts and returns required under this section. (ORC 718.031)

128.06 INCOME SUBJECT TO NET PROFIT TAX

128.061 DETERMINING MUNICIPAL TAXABLE INCOME FOR TAXPAYERS WHO ARE NOT INDIVIDUALS

"Municipal Taxable Income" for a taxpayer who is not an individual for the Municipality is calculated as follows: "Income" reduced by "Exempt Income" to the extent otherwise included in income, multiplied by apportionment, further reduced by any "Pre-2017 Net Operating Loss Carryforward" equals "Municipal Taxable Income".

(a) "Income" for a taxpayer that is not an individual means the "Net Profit" of the taxpayer.

(1) "Net Profit" for a person other than an individual is defined in Section 128.03(v).

(2) "Adjusted Federal Taxable Income" is defined in Section 128.03(a) of this Chapter.

(b) "Exempt Income" is defined in Section 128.03(j) of this Chapter.

(c) "Apportionment" means the apportionment as determined by Section 128.062 of this Chapter.

(d) "Pre-2017 Net Operating Loss Carryforward" is defined in Section 128.03(ff) of this Chapter. (ORC 718.01)

128.062 NET PROFIT; INCOME SUBJECT TO NET PROFIT TAX;

ALTERNATIVE APPORTIONMENT

This section applies to any taxpayer engaged in a business or profession in the Municipality unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745 of the Ohio Revised Code.

(a) Net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under section 128.052 of this Chapter;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(b) (1) If the apportionment factors described in division (a) of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator of the Municipality may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(A) Separate accounting;

(B) The exclusion of one or more of the factors;

(C) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;

(D) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by division (a) of Section 128.19 of this Chapter.

(3) The Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division (b)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (a) of Section 128.19 of this Chapter.

(4) Nothing in division (b) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by a Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.

(c) As used in division (a)(2) of this section, “wages, salaries, and other compensation” includes only wages, salaries, or other compensation paid to an employee for services performed at any of the following locations:

(1) A location that is owned, controlled, or used by, rented to, or under the possession of one of the following:

(A) The employer;

(B) A vendor, customer, client, or patient of the employer, or a related member of such a vendor, customer, client, or patient;

(C) A vendor, customer, client, or patient of a person described in division (c)(1)(B) of this section, or a related member of such a vendor, customer, client, or patient.

(2) Any location at which a trial, appeal, hearing, investigation, inquiry, review, court-martial, or similar administrative, judicial, or legislative matter or proceeding is being conducted, provided that the compensation is paid for services performed for, or on behalf of, the employer or that the employee’s presence at the location directly or indirectly benefits the employer;

(3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (c)(1) or (2) of this section solely in order to avoid or reduce the employer’s municipal income tax liability. If a Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator’s determination was unreasonable.

(d) For the purposes of division (a)(3) of this section, receipts from sales and rentals made and services performed shall be situated to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:

(A) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.

(B) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.

(C) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation.

(e) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides.

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit situated under this division to the municipal corporation in which the property is located.

For purposes of the application of any net operating loss realized from the rental of real estate, said loss is to be applied using separate accounting as it relates to those properties within a given municipal taxing jurisdiction. Common or shared expenses relating to rental real estate shall be allowed equally among all rental properties.

(f) (1) Except as provided in division (f)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase,

or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year.

(2) An individual who is a resident of a municipal corporation that imposes a municipal income tax shall report the individual's net profit from all real estate activity on the individual's annual tax return for that municipal corporation. The individual may claim a credit for taxes the individual paid on such net profit to another municipal corporation to the extent that such credit is allowed under Section 128.08 of this Chapter.

(g) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (j)(11) of Section 128.03 of this Chapter, by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation.

This division applies solely for the purpose of making an adjustment to the amount of a taxpayer's net profit that was apportioned to a municipal corporation under this section.

(h) When calculating the ratios described in division (a) of this section for the purposes of that division or division (b) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity. (ORC 718.02)

128.063 CONSOLIDATED FEDERAL INCOME TAX RETURN

(a) As used in this section:

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.

(3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incum-

bent local exchange carrier that is excluded from the affiliated group under division (a)(1) of this section.

(4) “Incumbent local exchange carrier” has the same meaning as in section 4927.01 of the Revised Code.

(5) “Local exchange telephone service” has the same meaning as in section 5727.01 of the Revised Code.

(b) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year.

(A) The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law.

(B) The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (b)(2) of this section; or

(C) A taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.

(2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (b)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.

(3) An election made under division (b)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

(c) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm’s length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.

(d) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated

group of which the taxpayer is a member.

(e) (1) Except as otherwise provided in divisions (e)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in section 128.03(a) of this Chapter, by substituting “consolidated federal taxable income” for “federal taxable income” wherever “federal taxable income” appears in that division and by substituting “an affiliated group of corporation’s” for “a C corporation’s” wherever “a C corporation’s” appears in that division.

(2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (a) of 128.03 of this Chapter to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group’s consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity’s net profit or loss for that taxable year:

(A) Exclude the pass-through entity’s net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 128.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group’s net profit situated to a municipal corporation. If the entity’s net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity’s net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(B) Include the pass-through entity’s net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 128.062 of this Chapter, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group’s net profit situated to a municipal corporation. If the entity’s net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity’s net profits that are included in the consolidated federal taxable income of the affiliated group. The entity shall be subject to taxation as a separate taxpayer on that portion of the entity’s net profit or loss not included in the consolidated federal taxable income of the affiliated group and situated to the municipal corporation.

(4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group’s consolidated federal taxable income for a taxable year, all of the following shall apply:

(A) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in Section 128.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit situated to a municipal corporation;

(B) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(f) Corporations filing a consolidated municipal income tax return shall make the computations required under Section 128.062 of this Chapter by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(g) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

(h) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016. (ORC 718.06)

128.07 DECLARATION OF ESTIMATED TAX

(a) As used in this section:

(1) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for a municipal corporation's income tax for the current taxable year.

(2) "Tax liability" means the total taxes due to a municipal corporation for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

(b) (1) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:

(A) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date. If the taxpayer establishes the dates on which all amounts were actu-

ally withheld, the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.

(B) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(C) A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.

(D) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Ohio Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

(2) Taxpayers filing joint returns shall file joint declarations of estimated taxes.

(3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (g) of Section 128.091 of this Chapter or on or before the fifteenth day of the fourth month of the first taxable year after the taxpayer becomes subject to tax for the first time.

(4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month after the beginning of each fiscal year or period.

(5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

(c) (1) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to the Municipality, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:

(A) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the tax liability for the taxable year;

(B) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the tax liability for the taxable year;

(C) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the tax liability for the taxable year;

(D) On or before the fifteenth day of the twelfth month of the

taxable year, ninety per cent of the tax liability for the taxable year.

(2) A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates. The amended declaration must be filed on the next applicable due date as outlined in (c)(1)(A) through (D) of this section.

(3) On or before the fifteenth day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with section 128.091 of this Chapter.

(A) For taxpayers who are individuals, or who are not individuals and are reporting and filing on a calendar year basis, the annual tax return is due on the same date as the filing of the federal tax return, unless extended pursuant to division (G) of section 5747.08 of the Revised Code.

(B) For taxpayers who are not individuals, and are reporting and filing on a fiscal year basis or any period other than a calendar year, the annual return is due on the fifteenth day of the fourth month following the end of the taxable year or period.

(4) An amended declaration is required whenever the taxpayer's estimated tax liability changes during the taxable year. A change in estimated tax liability may either increase or decrease the estimated tax liability for the taxable year.

(d) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to section 128.10 of this Chapter upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (e) of this section. The amount of the underpayment shall be determined as follows:

(A) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(B) For the second payment of estimated taxes each year, forty-five per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(C) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(D) For the fourth payment of estimated taxes each year, ninety per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on

or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

(e) An underpayment of any portion of tax liability determined under division (d) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(1) The amount of estimated taxes that were paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under Section 128.091 of this Chapter for that year.

(3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.

(F) A Tax Administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors. (ORC 718.08)

128.08 CREDIT FOR TAX PAID

(a) When the taxable income of a resident of the City of Lakewood is subject to a municipal income tax in another municipality on the same income taxable under this chapter, such resident shall be allowed a credit of the amount of income tax paid on such taxable income to such other municipality, equal to fifty per cent (50%) of the amount obtained by multiplying the lower of the tax rate of such other municipality or of the City of Lakewood by the taxable income earned in or attributable to the municipality of employment or business activity but, in any event, such credit shall not be applied to a rate in excess of one per cent (1%) of the taxable income earned in or attributable to the municipality of employment or business activity. For the purposes of this section, taxable income shall include the distributive share of net profits of a resident partner or owner of an unincorporated business entity.

(b) A claim for credit or refund under this section shall be made in such manner as the Administrator may by regulation provide. In the event such Lakewood resident fails, neglects, or refuses to file an annual return or declaration on the form prescribed by the Administrator, he shall not be entitled to such credit or refund and shall be considered in violation of this chapter for failure to file a return.

128.082 REFUNDABLE CREDIT FOR QUALIFYING LOSS

(a) As used in this section:

(1) “Nonqualified deferred compensation plan” means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.

(2) (A) Except as provided in division (a)(2)(B) of this section, “qualifying loss” means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer’s receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan.

(B) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the “qualifying loss” is the product of the amount resulting from the calculation described in division (a)(2)(A) of this section computed without regard to division (a)(2)(B) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.

(C) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.

(3) “Qualifying tax rate” means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the “qualifying tax rate” is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.

(b) (1) Except as provided in division (d) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.

(2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.

(3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corpora-

tion's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

(4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.

(c) (1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.

(2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer.

(d) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:

(1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or

(2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation. (ORC 718.021)

128.083 CREDIT FOR PERSON WORKING IN JOINT ECONOMIC DEVELOPMENT DISTRICT OR ZONE

A Municipality shall grant a credit against its tax on income to a resident of the Municipality who works in a joint economic development zone created under section 715.691 or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Ohio Revised Code to the same extent that it grants a credit against its tax on income to its residents who are employed in another municipal corporation, pursuant to Section 128.08 of this Chapter. (ORC 718.16)

128.084 CREDIT FOR TAX BEYOND STATUTE FOR OBTAINING REFUND

(a) Income tax that has been deposited or paid to the Municipality, but should have been deposited or paid to another municipal corporation, is allowable by the Municipality as a refund, but is subject to the three-year limitation on refunds as provided in Section 128.096 of this Chapter.

(b) Income tax that should have been deposited or paid to the Municipality, but was deposited or paid to another municipal corporation, shall be subject to collection and recovery by the Municipality. To the extent a refund of such tax or withholding is barred by the limitation on refunds as provided in section 128.096, the Municipality will allow a non-refundable credit equal to the tax or withholding paid to the other municipality against the income tax the Municipality claims is due. If the Municipality's tax rate is higher, the tax representing the net difference of the tax rates is also subject to collection by the Municipality, along with any penalty and interest accruing during the period of nonpayment.

(c) No carryforward of credit will be permitted when the overpayment is beyond the three-year limitation for refunding of same as provided in Section 128.096 of this Chapter.

(d) Nothing in this section requires a Municipality to allow credit for tax paid to another municipal corporation if the Municipality has reduced credit for tax paid to another municipal corporation. Section 128.08 of this Chapter regarding any limitation on credit shall prevail. (ORC 718.121)

128.09 ANNUAL RETURN

128.091 RETURN AND PAYMENT OF TAX

(a) (1) An annual return with respect to the income tax levied on Municipal Taxable Income by the Municipality shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is subject to the tax, regardless of whether or not income tax is due.

(2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under subsection 128.051(c) of this Chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.

(3) All resident individual taxpayers, who attain the age of 18 years within a tax year and older, shall file an annual municipal income tax return with the Municipality, regardless of income or liability.

(b) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(c) If an individual is unable to complete and file a return or notice required by the Municipality in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.

(d) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.

(e) Spouses shall be permitted to file a joint return.

(f) (1) Each return required to be filed under this section must contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include

the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

(4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate Tax Administrator.

(5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (f) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

(6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of undocumented credits or losses.

- (g) (1) (A) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section

5747.08 of the Ohio Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to the Municipality.

(B) Except as otherwise provided in this chapter, each annual net profit income tax return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year or period. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the Municipality.

(C) In the case of individual income tax return required to be filed by an individual, and net profit income tax return required to be filed by a taxpayer who is not an individual, no remittance is required if the amount shown to be due is ten dollars or less.

(2) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by the Municipality in accordance with this chapter, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(3) With respect to taxpayers to whom Section 128.092 of this Chapter applies, to the extent that any provision in this division conflicts with any provision in Section 128.092 of this Chapter, the provision in Section 128.092 of this Chapter prevails.

(h) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is ten dollars or less.

(2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (h)(1) of this section shall file with the Municipality an annual net profit return under division (f)(3) and (4) of this section.

(i) This division shall not apply to payments required to be made under division (b)(1)(B) of Section 128.051 of this Chapter.

(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an

account designated by the Tax Administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the payment. For purposes of this section, “submitted the payment” means the date which the taxpayer has designated for the delivery of payment, which may or may not be the same date as the date the payment was initiated by the taxpayer.

(j) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in section 128.051 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(k) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer’s refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.

(l) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter and of the Municipality’s Ordinance or resolution governing the filing of returns, reports, or documents.

(m) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.

(n) (1) As used in this division, “worksite location” has the same meaning as in section 128.052 of this chapter.

(2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:

(A) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within the municipal corporation, and the person has filed all appropriate and required returns and remitted all applicable

income tax and withholding payments as provided by this chapter. The tax administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this chapter.

(B) The person no longer provides services in the municipal corporation, and does not expect to be subject to the municipal corporation's income tax for the taxable year.

The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.

(C) If a person submits an affidavit described in division (n)(2) of this section, the tax administrator shall not require the person to file any tax return for the taxable year unless the tax administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this chapter relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the tax administrator for the taxable year. Nothing in division (n) of this section prohibits the tax administrator from performing an audit of the person. (ORC 718.05)

128.092 RETURN AND PAYMENT OF TAX; INDIVIDUALS SERVING IN COMBAT ZONE

(a) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Administrator of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality in accordance with this chapter during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eli-

gibility for the extension.

- (b)
 - (1) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the one hundred eighty-first day after the applicant's active duty or service terminates. Except as provided in division (b)(3) of this section, the Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate.
 - (2) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the one hundred eighty-first day after the applicant's active duty or service terminates.
 - (3) Taxes paid pursuant to a contract entered into under division (b)(1) of this section are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.
- (c)
 - (1) Nothing in this division denies to any person described in this division the application of divisions (a) and (b) of this section.
 - (2)
 - (A) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this chapter. The length of any extension granted under division (c)(2)(A) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this section, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.
 - (B) Taxes the payment of which is extended in accordance with division (c)(2)(A) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division (c)(2)(A) of this section in calculating the penalty or interest due on any unpaid tax.
- (d) For each taxable year to which division (a), (b), or (c) of this section applies to a taxpayer, the provisions of divisions (b)(2) and (3) or (c) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year. (ORC 718.052)

128.093 USE OF OHIO BUSINESS GATEWAY; TYPES OF FILINGS

AUTHORIZED

- (a) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file any municipal income tax return or, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.
- (b) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.
- (c) Nothing in this section affects the due dates for filing employer withholding tax returns or deposit of any required tax.
- (d) The use of the Ohio Business Gateway by municipal corporations, taxpayers, or other persons does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. The State of Ohio shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.
- (e) Nothing in this section shall be construed as limiting or removing the authority of any municipal corporation to administer, audit, and enforce the provisions of its municipal income tax. (ORC 718.051)

128.094 EXTENSION OF TIME TO FILE

- (a) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.
- (b) Any taxpayer that qualifies for an automatic federal extension for a period other than six-months for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as that of the extended federal income tax return.
- (c) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.
- (d) An extension of time to file under this chapter is not an extension of the time to pay any tax due.
- (e) If the State Tax Commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Ohio Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return. (ORC 718.05)

128.095 AMENDED RETURNS

- (a) (1) A taxpayer shall file an amended return with the Tax Administrator in such form as the Tax Administrator requires if any of the facts, figures, computations, or attachments required in the taxpayer's annual return to determine the tax due levied by the Municipality in accordance with this chapter must be altered.
- (2) Within sixty days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, that taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is ten dollars or less.
- (3) If a taxpayer, who is otherwise permitted to do so under this Chapter or under Chapter 718 of the Ohio Revised Code, intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Administrator before filing the amended return.
- (b) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars or less, such amount need not accompany the amended return. Except as provided under division (b)(2) of this section, the amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless the applicable statute of limitations for civil actions or prosecutions under section 128.19 of this Chapter has not expired for a previously filed return.
- (2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened.
- (c) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division (a)(2) of this section for filing the amended return even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is ten dollars or less, no refund need be paid by the Municipality to the taxpayer. Except as set forth in division (c)(2) of this section, a request filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless it is also filed within the time prescribed in section 128.096 of this Chapter. Except as set forth in division (c)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.
- (2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened. (ORC 718.12, 718.41)

128.096 REFUNDS

(a) Upon receipt of a request for a refund, the Tax Administrator of the Municipality, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:

- (1) Overpayments of more than ten dollars;
- (2) Amounts paid erroneously if the refund requested exceeds ten dollars.

(b) (1) Except as otherwise provided in this chapter, returns setting forth a request for refund shall be filed with the Tax Administrator, within three years after the tax was due or paid, whichever is later. Any documentation that substantiates the taxpayer's claim for a refund must be included with the return filing. Failure to remit all documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses or other pertinent factors on the return will cause delay in processing, and / or disallowance of undocumented credits or losses.

(2) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division (b)(3) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.

(3) If the Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under Section 128.18 of this Chapter.

(c) A request for a refund that is received after the last day for filing specified in division (b) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

(1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.

(2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

(3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

(d) Interest shall be allowed and paid on any overpayment by a taxpayer of any

municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in division (a)(4) of Section 128.10 of this Chapter.

(e) As used in this section, “withholding tax” has the same meaning as in section 128.10 of this Chapter. (ORC 718.19. 128.)

128.10 PENALTY, INTEREST, FEES, AND CHARGES

(a) As used in this section:

(1) “Applicable law” means this chapter, the resolutions, ordinances, codes, directives, instructions, and rules adopted by the Municipality provided such resolutions, ordinances, codes, directives, instructions, and rules impose or directly or indirectly address the levy, payment, remittance, or filing requirements of a municipal income tax.

(2) “Federal short-term rate” means the rate of the average market yield on outstanding marketable obligations of the United States with remaining periods to maturity of three years or less, as determined under section 1274 of the Internal Revenue Code, for July of the current year.

(3) “Income tax,” “estimated income tax,” and “withholding tax” mean any income tax, estimated income tax, and withholding tax imposed by a municipal corporation pursuant to applicable law, including at any time before January 1, 2016.

(4) “Interest rate as described in division (a) of this section” means the federal short-term rate, rounded to the nearest whole number per cent, plus five per cent. The rate shall apply for the calendar year next following the July of the year in which the federal short-term rate is determined in accordance with division (a)(2) of this section.

(5) “Return” includes any tax return, report, reconciliation, schedule, and other document required to be filed with a Tax Administrator or municipal corporation by a taxpayer, employer, any agent of the employer, or any other payer pursuant to applicable law, including at any time before January 1, 2016.

(6) “Unpaid estimated income tax” means estimated income tax due but not paid by the date the tax is required to be paid under applicable law.

(7) “Unpaid income tax” means income tax due but not paid by the date the income tax is required to be paid under applicable law.

(8) “Unpaid withholding tax” means withholding tax due but not paid by the date the withholding tax is required to be paid under applicable law.

(9) "Withholding tax" includes amounts an employer, any agent of an employer, or any other payer did not withhold in whole or in part from an employee's qualifying wages, but that, under applicable law, the employer, agent, or other payer is required to withhold from an employee's qualifying wages.

(b) (1) This section shall apply to the following:

(A) Any return required to be filed under applicable law for taxable years beginning on or after January 1, 2016;

(B) Income tax, estimated income tax, and withholding tax required to be paid or remitted to the Municipality on or after January 1, 2016 for taxable years beginning on or after January 1, 2016.

(2) This section does not apply to returns required to be filed or payments required to be made before January 1, 2016, regardless of the filing or payment date. Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules, as adopted from time to time before January 1, 2016 of this Municipality.

(c) The Municipality shall impose on a taxpayer, employer, agent of the employer, and any other payer, and will attempt to collect, the interest amounts and penalties prescribed in this section when the taxpayer, employer, any agent of the employer, or any other payer for any reason fails, in whole or in part, to make to the Municipality timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the Municipality any return required to be filed.

(1) Interest shall be imposed at the rate defined as "interest rate as described in division (a) of this section", per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax. This imposition of interest shall be assessed per month, or fraction of a month.

(2) With respect to unpaid income tax and unpaid estimated income tax, a penalty equal to fifteen percent of the amount not timely paid shall be imposed.

(3) With respect to any unpaid withholding tax, a penalty equal to fifty percent of the amount not timely paid shall be imposed.

(4) With respect to returns other than estimated income tax returns, the Municipality shall impose a monthly penalty of twenty-five dollars for each failure to timely file each return, regardless of the liability shown thereon for each month, or any fraction thereof, during which the return remains unfiled regardless of the liability shown thereon. The penalty shall not exceed a total of one hundred fifty dollars in assessed penalty for each failure to timely file a return.

(d). With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not refund or credit any penalty, amount of interest, charges, or additional fees that were properly imposed or collected before January 1, 2016.

(e) The Tax Administrator may, in the Tax Administrator's sole discretion, abate or partially abate penalties or interest imposed under this section when the Tax Administrator deems such abatement or partial abatement to be appropriate. Such abatement or partial abatement shall be properly documented and maintained on the record of the taxpayer who received benefit of such abatement or partial abatement.

(f) The Municipality shall impose on the taxpayer, employer, any agent of the employer, or any other payer the Municipality's post-judgment collection costs and fees, including attorney's fees. (ORC 718.27)

128.11 AUDIT

(a) At or before the commencement of an audit, as defined in Section 128.03(c) of this Chapter, the Tax Administrator shall provide to the taxpayer a written description of the roles of the Tax Administrator and of the taxpayer during an audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of tax. At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.

(b) Except in cases involving suspected criminal activity, the Tax Administrator is required to conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

(c) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

(d) A taxpayer may record, electronically or otherwise, the audit examination.

(e) The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case. (ORC 718.36)

128.12 ROUNDING

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be dropped, rounding down to the nearest whole dollar. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document. (ORC 718.25)

128.13 AUTHORITY AND POWERS OF THE TAX ADMINISTRATOR

128.131 AUTHORITY OF TAX ADMINISTRATOR; ADMINISTRATIVE POWERS OF THE TAX ADMINISTRATOR

The Tax Administrator has the authority to perform all duties and functions necessary and appropriate to implement the provisions of this Chapter, including without limitation:

- (a) Exercise all powers whatsoever of an inquisitorial nature as provided by law, including, the right to inspect books, accounts, records, memorandums, and federal and state income tax returns, to examine persons under oath, to issue orders or subpoenas for the production of books, accounts, papers, records, documents, and testimony, to take depositions, to apply to a court for attachment proceedings as for contempt, to approve vouchers for the fees of officers and witnesses, and to administer oaths; provided that the powers referred to in this division of this section shall be exercised by the Tax Administrator only in connection with the performance of the duties respectively assigned to the Tax Administrator under this chapter or otherwise authorized by Council;
- (b) Appoint agents and prescribe their powers and duties;
- (c) Confer and meet with officers of other municipal corporations and states and officers of the United States on any matters pertaining to their respective official duties as provided by law;
- (d) Exercise the authority provided by law, including orders from bankruptcy courts, relative to remitting or refunding taxes, including penalties and interest thereon, illegally or erroneously imposed or collected, or for any other reason overpaid, and, in addition, the Tax Administrator may investigate any claim of overpayment and make a written statement of the Tax Administrator's findings, and, if the Tax Administrator finds that there has been an overpayment, approve and issue a refund payable to the taxpayer, the taxpayer's assigns, or legal representative as provided in this chapter;
- (e) Exercise the authority provided by law relative to consenting to the compromise and settlement of tax claims;
- (f) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with section 128.062 of this Chapter;
- (g) Make all tax findings, determinations, computations, assessments and orders the Tax Administrator is by law authorized and required to make and, pursuant to time limitations provided by law, on the Tax Administrator's own motion, review, redetermine, or correct any tax findings, determinations, computations, assessments or orders the Tax Administrator has made, but the Tax Administrator shall not review, redetermine, or correct any tax finding, determination, computation, assessment or order which the Tax Administrator has made for which an appeal has been filed with the Local Board of Tax Review or other appropriate tribunal, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;
- (h) Destroy any or all returns or other tax documents in the manner authorized by law;
- (i) Enter into an agreement with a taxpayer to simplify the withholding obligations described in section 128.051 of this Chapter. (ORC 718.24)

128.132 AUTHORITY OF TAX ADMINISTRATOR; COMPROMISE OF CLAIM AND PAYMENT OVER TIME

(a) As used in this section, “claim” means a claim for an amount payable to the Municipality that arises pursuant to the municipal income tax imposed in accordance with this chapter.

(b) The Tax Administrator may do either of the following if such action is in the best interests of the Municipality:

(1) Compromise a claim;

(2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments, upon such terms and conditions as the Tax Administrator may require.

(c) The Tax Administrator’s rejection of a compromise or payment agreement proposed by a person with respect to a claim shall not be appealable.

(d) A compromise or payment agreement with respect to a claim shall be binding upon and shall inure to the benefit of only the parties to the compromise or agreement, and shall not extinguish or otherwise affect the liability of any other person.

(e) (1) A compromise or payment agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.

(2) The Tax Administrator shall have sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or payment agreement.

(f) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not a payment agreement will be authorized. The taxpayer’s failure to provide the necessary and required information by the Tax Administrator shall preclude consideration of a payment agreement. (ORC 718.28)

128.133 AUTHORITY OF TAX ADMINISTRATOR; RIGHT TO EXAMINE

(a) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this Chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this Chapter. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(b) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Administrator believes is subject to, the provisions of this Chapter shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Administrator of a municipal corporation may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.

(c) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(d) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal and state income tax returns under this section shall fail to comply. (ORC 718.23)

128.134 AUTHORITY OF TAX ADMINISTRATOR; REQUIRING IDENTIFYING INFORMATION

(a) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

(b) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to section 128.10 of this Chapter, in addition to any applicable penalty described in section 128.99 of this Chapter.

(2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division (a) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Administrator from imposing a penalty pursuant to section 128.10 of this Chapter.

(3) The penalties provided for under divisions (b)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee

with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 128.99 of this Chapter for a violation of 128.15 of this Chapter, and any other penalties that may be imposed by the Tax Administrator by law. (ORC 718.26)

128.14 CONFIDENTIALITY

(a) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by ORC 718 or by the charter or ordinance of the Municipality is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by ORC 718 or the charter or ordinance authorizing the levy. The Tax Administrator of the Municipality or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the Internal Revenue Service, the State Tax Commissioner, and Tax Administrators of other municipal corporations.

(b) This section does not prohibit the Municipality from publishing or disclosing statistics in a form that does not disclose information with respect to particular taxpayers. (ORC 718.13)

128.15 FRAUD

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by this Chapter or state law to be filed with the Tax Administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the Municipality or the Tax Administrator. (ORC 718.35)

128.16 OPINION OF THE TAX ADMINISTRATOR

(a) An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.

(b) A taxpayer may submit a written request for an opinion of the Tax Administrator as to whether or how certain income, source of income, or a certain activity or transaction will be taxed. The written response of the Tax Administrator shall be an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in accordance with divisions (c), (g), and (h) of this section, provided all of the following conditions are satisfied:

(1) The taxpayer's request fully and accurately describes the specific facts or circumstances relevant to a determination of the taxability of the income, source of income, activity, or transaction, and, if an activity or transaction, all parties involved in the activity or transaction are clearly identified by name, location, or other pertinent facts.

(2) The request relates to a tax imposed by the Municipality in accordance with this Chapter.

(3) The Tax Administrator's response is signed by the Tax Administra-

tor and designated as an “opinion of the Tax Administrator.”

(c) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator’s opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:

(1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer’s date of receipt or one year after the issuance of the opinion, whichever is later;

(2) The effective date of any amendment or enactment of a relevant section of the Ohio Revised Code, uncodified state law, or the Municipality’s income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;

(3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the Ohio Revised Code, uncodified state law, or the Municipality’s income tax ordinance;

(4) If the opinion of the Tax Administrator was based on the interpretation of federal law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;

(5) The effective date of any change in the taxpayer’s material facts or circumstances;

(6) The effective date of the expiration of the opinion, if specified in the opinion.

(d) (1) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.

(2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of section 128.15 of this Chapter.

(e) If a Tax Administrator provides written advice under this section, the opinion shall include a statement that:

(1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (c) of this section;

(2) It is the duty of the taxpayer to be aware of such changes.

(f) A Tax Administrator may refuse to offer an opinion on any request received under this section.

(g) This section binds a Tax Administrator only with respect to opinions of the Tax Administrator issued on or after January 1, 2016.

(h) An opinion of a Tax Administrator binds that Tax Administrator only with respect to the taxpayer for whom the opinion was prepared. An opinion of the Tax Administrator does not bind the Tax Administrator of any other municipal corporation.

(i) A Tax Administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the Tax Administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.

(j) An opinion of the Tax Administrator issued under this section or a refusal to offer an opinion under division (f) may not be appealed. (ORC 718.38)

128.17 ASSESSMENT; APPEAL BASED ON PRESUMPTION OF DELIVERY

(a) (1) The Tax Administrator shall serve an assessment either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Ohio Revised Code.

(2) The Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Such alternative delivery method must be authorized by the person subject to the assessment.

(3) Once service of the assessment has been made by the Tax Administrator or other municipal official, or the designee of either, the person to whom the assessment is directed may protest the ruling of that assessment by filing an appeal with the Local Board of Tax Review within sixty days after the receipt of service. The delivery of an assessment of the Tax Administrator as prescribed in Section 718.18 of the Revised Code is prima facie evidence that delivery is complete and that the assessment is served.

(b) (1) A person may challenge the presumption of delivery and service as set forth in this division. A person disputing the presumption of delivery and service under this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If a person elects to appeal an assessment on the basis described in division (b)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the Tax Administrator or other

municipal official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the Local Board of Tax Review. (ORC 718.18)

128.18 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX REVIEW

(a) (1) The legislative authority of the Municipality shall maintain a Local Board of Tax Review to hear appeals as provided in Ohio Revised Code Chapter 718. All powers and duties vested by ordinances in the Board of Tax Review prior to the adoption of this section are hereby vested in this Board of Tax Review with respect to tax years 2015 and earlier.

(2) The Local Board of Tax Review shall consist of three members who must be domiciled in the Municipality.

Two members shall be appointed by the legislative authority of the Municipality, and may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the Mayor of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

(3) The term for members of the Local Board of Tax Review appointed by the legislative authority of the Municipality shall be two years. There is no limit on the number of terms that a member may serve should the member be reappointed by the legislative authority. The board member appointed by the Mayor of the Municipality shall serve at the discretion of the administrative official.

(4) Members of the board of tax review appointed by the legislative authority may be removed by the legislative authority as set forth in Section 718.11(A)(4) of the Revised Code.

(5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.

(6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.

(7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.

(8) No member of the Local Board of Tax Review shall receive compensation, fee, or reimbursement of expenses for service on the board.

(9) A member of a Local Board of Tax Review shall not be appointed to or serve on another such board simultaneously.

(b) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.

(c) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty days after the taxpayer receives the assessment.

(d) The Local Board of Tax Review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under division (c) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and/or may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.

(e) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in section 5717.011 of the Ohio Revised Code.

(f) The Local Board of Tax Review created pursuant to this section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a record of its transactions. The rules governing the Local Board of Tax Review procedures shall be in writing, and may be amended as needed by the Local Board of Tax Review. Such records are not public records available for inspection under section 149.43 of the Ohio Revised Code. For this reason, any documentation, copies of returns or reports, final determinations, or working papers for each case must be maintained in a secure location under the control of the Tax Administrator. No member of the Local Board of Tax Review may remove such documentation, copies of returns or reports, final determinations, or working papers from the hearing. Hearings requested by a taxpayer before a Local Board of Tax Review created pursuant to this section are not meetings of a public body subject to section 121.22 of the Ohio Revised Code. For this reason, such hearings shall not be open to the public, and only those parties to the case may be present during the hearing. (ORC 718.11)

128.19 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS

(a) (1) (A) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the latter of:

- (i) Three years after the tax was due or the return was filed, whichever is later; or
- (ii) One year after the conclusion of the qualifying deferral period, if any.

(B) The time limit described in division (a)(1)(A) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (c) of this section.

(2) As used in this section, “qualifying deferral period” means a period of time beginning and ending as follows:

(A) Beginning on the date a person who is aggrieved by an assessment files with a Local Board of Tax Review the request described in Section 128.18 of this Chapter. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Local Board of Tax Review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.

(B) Ending the later of the sixtieth day after the date on which the final determination of the Local Board of Tax Review becomes final or, if any party appeals from the determination of the Local Board of Tax Review, the sixtieth day after the date on which the final determination of the Local Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.
