

STARTING WITH A VISION FOR THE LAKEWOOD COMMUNITY HEALTH FOUNDATION

OPPORTUNITY FOR INITIAL COMMUNITY INPUT

We have provided below some potential initial concepts to speak to the most important potential elements of the vision and purpose for this new community organization.

PLEASE MARK AN "X" TO INDICATE YOUR SELECTIONS FOR YOUR TOP 5 CHOICES THAT YOU THINK BEST REPRESENT WHAT THE PURPOSE AND FOCUS OF THIS NEW ORGANIZATION SHOULD BE:

Vote	Key Concept	More Detailed Purpose Statement
	Healthiest community in Ohio	Invest in a portfolio of effective and innovative programs to make Lakewood the healthiest community in Ohio
	Advocate for vulnerable populations	Advocate for the health-related needs of our most vulnerable populations
	Attract people to live and work here	Promote a culture of health in Lakewood to truly differentiate our community and attract people to live and work her
	Keep physicians in Lakewood	Provide a strong base of health-related programs and services to keep physicians living and working in Lakewood
	Coordinate programs across Lakewood	Develop a mechanism to ensure strong coordination and collaboration across all health-related services, program and providers in Lakewood
	Help navigating health care	Invest in services to make health care easier to navigate for our people
	Transportation	Fund programs to ensure transportation and access to basic health care services
	Chronic condition care	Invest in programs to help coordinate the care of people with chronic conditions (such as diabetes and heart disease)
	Behavioral health and substance abuse	Fund programs and services to address the behavioral health care and substance abuse treatment needs of our community
	Research	Invest in an organization that can seek grants for doing research related to health outcomes and metrics
	Culturally-competent care	Build a culture of competency for health care providers to effectively meet the health care needs of people from diverse backgrounds and cultures
	Healthy living	Develop community health education, programs and services to support residents' ability to lead healthier lives

	Health activity and green space	Develop community health initiatives focused on facilitating people to live a more active lifestyle
	Start young (Childhood obesity)	Invest in programs in the schools to educate children on the importance of healthy choices, and also potentially preventive health care services in the schools
	Employment-focused efforts	Provides resources to increase the ability of individuals in Lakewood with the least wealth and opportunity to prepare for, obtain, and maintain employment
	Broad transformational agenda	Invests resources to provide leadership and support for the improvement and transformation of the health and well-being of individuals, families and communities of Lakewood
	Leadership training	Invest in programs to support non-profit health care provider organizations in developing strong, effective leaders who can collaborate to help bridge health care gaps in our community
	Employer-focused	Invest in community/employer partnerships to help attract more health-oriented employers to Lakewood
	Online and home care innovation	Invest in innovative pilot programs to test new concepts in helping patients stay connected to needed health care services through home monitoring and online tools
	Write-In Option	Optional: Write in an additional statement of purpose if you don't find it above
