NO WIPES IN PIPES

Even if a product says it is “flushable” ...

Unless it is toilet paper, it should not be flushed!

- Diapers (including cloth, cotton, disposable, or plastic)
- Flushable, disposable, cleaning, or baby wipes
- Paper towels, cloth towels, or any type of rag
- Feminine hygiene products
- Facial Tissues

Place these and similar items in a trash can!

Flushing these items clogs sewers and can cause sewage to back up into YOUR HOME!

Department of Public Works (216) 529-5941
