

**CITY OF LAKEWOOD
RESILIENCY TASK FORCE**

**Energy
May 15th 2018**

Hello + Welcome

MEETING OBJECTIVES

1. Review progress to date
2. Affirm the group's purpose
3. Discuss Energy Priorities
4. Discuss Connectivity Priorities

Our Purpose

“The purpose of the task force is to understand current and emerging forces that can impact Lakewood and wellbeing of its citizens. Examining environmental, political, social and economic issues through the lens of resiliency, the task force will seek proactive and enduring solutions that when applied across systems will lead to a thriving city for generations to come.”

Our Purpose

IF our goal around ENERGY is to ensure a more efficient, reliable, and sustainable system for the benefit of Lakewood's citizens and the City's continued development,

THEN what are the current and emerging forces that are challenging or will challenge the City of Lakewood in achieving the stated goal and objectives?

Energy

Break

10 Minutes

IF our goal around CONNECTIVITY is to build effective connections between people and places and we therefore seek a street network accommodating diverse ages and abilities using multiple travel modes and shared mobility options AND a high-quality digital network providing equitable connectivity and leveraged community data,

THEN what are the current and emerging forces that are challenging or will challenge the City of Lakewood in achieving the stated goal and objectives?

Connectivity

Recap

July 17th – 6:30 – 8:30PM
