

**CITY OF LAKEWOOD  
RESILIENCY TASK FORCE**

**Health & Wellbeing  
July 17<sup>th</sup> 2018**

**Hello + Welcome**

## MEETING OBJECTIVES

1. Review progress to date
2. Review Energy and Connectivity Templates
3. Discuss Health & Wellbeing

**Recap**

IF our goal around ENERGY is to ensure a more efficient, reliable, and sustainable system for the benefit of Lakewood's citizens and the City's continued development,

**THEN what are the current and emerging forces that are challenging or will challenge the City of Lakewood in achieving the stated goal and objectives?**

# Energy

# Break

10 Minutes

IF our goal around CONNECTIVITY is to build effective connections between people and places and we therefore seek a street network accommodating diverse ages and abilities using multiple travel modes and shared mobility options AND a high-quality digital network providing equitable connectivity and leveraged community data,

**THEN what are the current and emerging forces that are challenging or will challenge the City of Lakewood in achieving the stated goal and objectives?**

# Connectivity

IF our goal around HEALTH AND WELLBEING is to nurture people's health and happiness and we therefore seek active living based on walkability and recreation; equitable health outcomes based on accessible, affordable healthcare; affordable, local, fresh food; remediated toxic environments; and public safety,

**THEN, what are the current and emerging forces that are challenging the City of Lakewood in achieving the stated goal and objectives?**

# Health & Wellbeing
