General Comments for All Applicants: This information will be used to determine compliance with building, zoning, and other applicable codes. Please be accurate. Incomplete or improper data could delay your application. You will also be advised, by Building Department personnel, of the procedure to follow in the event a variance to any ordinance is required. A certificate of code compliance will be issued when required inspections by all concerned city departments indicate compliance with all applicable ordinances

For Retail Applicants: If you intend to install a sign and/or alter the architectural exterior appearance of the building, an application must be submitted to the Architectural Board of Review, or Board of Zoning Appeals for its approval. Guidelines for preparing applications for signage and Architectural Review are available upon request. Provide construction documents for plan review (fee associated with commercial plans). Permits for electrical, plumbing, heating and air conditioning, and structural alterations are issued by this department to the contractor doing the work. If your contractor is not registered, they may register at citizenserve.com/lakewoodoh. If your business is a food service or a food product operation, contact the Cuyahoga County Board of Health at (216) 201-2000, to inquire if a food service license is needed. If you intend to sell alcoholic beverages, please contact the Ohio Department of Liquor Control (614) 644-2455. We suggest, in an effort to avoid any undue hardship, that you do not prematurely advertise an opening date; wait until the certificate of code compliance has been issued.
