4. Live Well Lakewood Workgroup Phase 2 to focus on:
  - a) the development of a Lakewood Community Health Needs Assessment which will include the engagement of all Lakewood populations and will seek IRB approval.
  - b) defining the components of a community action plan for health and wellbeing
  - c) outreach and interviewing potential entities, organizations and businesses that should be considered as initial stakeholders for the future cross-sector health collaboration with the goal to locate drivers for this initiative.
5. Initiate Cross-Sector Collaboration – Phase 3

## PHASE ONE

### Resiliency Task Force (RTF)

- Convened April 2018
- Members appointed by City Council & the Mayor; Alex Harnocz heads the task force and is paid City employee
- Purpose was to understand current and emerging forces that can impact Lakewood and the wellbeing of its citizens
- **Health and Wellbeing** specifically identified as one of six priorities

### Live Well Lakewood Work Group (LWL)

- Volunteer group convened in June 2019
- Purpose is to think critically about how Lakewood can effectively impact the health and wellness of all of its citizens
- Goal was to identify the path forward to recognizing the best way to impact the health and wellness of all Lakewood citizens
- LWL developed recommendations and is **seeking funds to of \$250,000** to be directed to the right entity to oversee phase two

**PHASE TWO**

**LWL Workgroup Phase 2 becomes Phase 2 of the RTF with a deeper focus on Health & Wellbeing.**  
RTF, under direction of Planning Dept. Assigned Staff (Planning), will receive the funds needed to implement Phase Two of the LWL Work Group's recommendation, complementing RTF's objective to obtain meaningful outcomes for its Health & Wellbeing priority.

**LWL Phase 1 Workgroup will nominate an Advisory Committee (AC) from its members to work with the RTF staff member**

LWL AC to work with Planning to create an RFP/RFQ to hire a fellow to work with RTF Phase Two and conduct an IRB approved Community Health Needs Assessment (CHNA)

LWL AC to work with Planning to create an RFP/RFQ for a consultant/facilitator to be appointed to the RTF Phase Two

LWL AC to solicit, review and recommend applicants for appointment by Mayor and City Council to the RTF Phase Two focusing on Health & Wellbeing

LWL Advisory Committee complete

**Mayoral appointments (6), City Council appointments (7), fellow, consultant, and Alex to make up Phase Two Resiliency Task Force**  
CHNA conducted, assessed & recommendations made for Phase Three implementation

**PHASE THREE**

**Specific initiatives and programs to be implemented will be determined based on the findings of the CHNA. Funding sources will need to be identified to carry out this work over the long-term.**
