Re: Integrated Wet Weather Improvement Plan Update (IWWIP)

Dear Members of Council:

The City of Lakewood has continued progress on our Integrated Wet Weather Improvement Plan (IWWIP) in 2020. I wanted to provide an update on our progress, provide a regulatory forecast, and discuss plans for IWWIP implementation in 2021.

I respectfully ask you to consider referring this discussion topic to the Committee of the Whole at your earliest convenience.

Sincerely,

Meghan F. George  
Mayor
